

General Information

What's changing?

To serve you better, Canada Life will be issuing scheduled bundled payments to service providers rather than payment on a claim-by-claim basis. If you choose to register, payments will now be issued by direct deposit into a bank account you designate, and all claims details will be summarized on a new statement securely emailed to you.

Why register for direct deposit?

- **Streamlined payments:** Your payments will be bundled into convenient single deposits directly into your bank account.
- **More frequent payment:** Canada Life will send you a weekly payment by direct deposit. Otherwise, your payments will be issued once per month by cheque.
- **Greater convenience:** Direct deposits reduce or eliminate the cost of handling and depositing cheques at the bank.
- **Easier reconciliations:** A new, easy-to-read statement will be emailed to you on the date of deposit, helping you quickly reconcile outstanding claim payments.
- **Increased security and control:** Direct deposit payments can help reduce fraud, such as the theft of cheques which are fraudulently cashed.
- **Increased flexibility:** You can choose to have the payments issued to the clinic or to yourself, based on your business model.
- **Better for the environment:** Using less paper helps reduce our environmental footprint.

HOW WILL I KNOW I'VE BEEN PAID?

Direct Deposit:

You'll receive a statement with the payment details and a summary of each claim processed during the payment period by secure email. To ensure you receive the secure message, please add providerclaimpayment@canadalife.com to your email contacts.

Cheque:

You will receive a cheque in the mail.

Statements:

WHAT WILL BE LISTED ON THE STATEMENT?

The statement will include a detailed summary of all claims processed during the payment period. Claim details currently available on Canada Life's Explanation of Benefits (EOB) will be displayed, in addition to new details such as how you submitted the claim. HOW DO I USE THE STATEMENT TO COORDINATE BENEFITS?

Our plan member privacy is of the utmost importance. If you are coordinating benefits with another carrier, please be sure to only show the details for the claim you are submitting.

Secure email:

WHAT IS SECURE EMAIL AND IS IT SAFE?

- When you provide your email address, all statements will be emailed to you securely using encryption software. The initial email will have an HTML attachment in the message. Once opened, the attachment will launch your internet browser so that you can read the secure email message containing your statement.
- When using this service for the first time, you will be asked to register with a password of your choosing. If you are a returning user, you will be asked to login using your previously created password.

General Information

WHAT IS AN HTML ATTACHMENT?

An HTML attachment is a file that will be opened by your default internet browser on your computer. In this case, it tells your computer how to allow the secure email message so that you can read it.

WHY DO I HAVE TO REGISTER TO OPEN THE EMAIL?

All emails sent with statements contain sensitive plan member data, which is why the emails are encrypted.

CAN I OPEN THE SECURE MESSAGE ON MY SMARTPHONE?

Access to your secure message is dependent on the HTML attachment included in the notification email. When opening HTML files, some mobile devices such as smartphones and tablets will modify the file which is the key to access your encrypted message. Due to this, some mobile devices will not be able to access the secure message. If you encounter problems using a smartphone or tablet, we recommended that you open the secure message using a desktop or laptop computer.

WHAT IF I FORGOT MY SECURE EMAIL PASSWORD?

On the login screen to access your secure email message, click on the Forgot Password link. A password reset email will be automatically sent to your email address. If you don't receive the email, be sure to check your spam or junk folder. Once you receive the email, click the reset link in the email and enter your new password.

WHAT IF I NO LONGER HAVE ACCESS TO MY EMAIL ADDRESS TO RESET MY SECURE EMAIL PASSWORD, OR MY EMAIL ADDRESS HAS CHANGED?

Without access to the registered email address you provided, you will not be able to reset your secure email password. You will need to log in to the portal (<http://www.telushealth.com/directdeposit>) and update your email address so that future statements will be delivered to you correctly. To request past statements that you can no longer access, please contact Canada Life at 1-800-957-9777.

WHAT DO I DO ONCE I'VE OPENED THE SECURE EMAIL?

Once you have created or logged into your account, you will see the message containing the attached statement in PDF form. You should print or save a copy of this PDF to your computer's hard drive.

HOW LONG WILL I BE ABLE TO ACCESS THE SECURE EMAIL?

As long as you keep the initial notification email, you will be able to access the secure message containing your statement. We do recommend that you save or print a copy of the statement for your own recordkeeping.

General Information

CAN I REPLY TO THE SECURE EMAIL MESSAGE?

The email messages are delivered using an automated system. If you reply to the email, you will not receive a response. Please use the communication methods suggested in this FAQ (see below).

WHY AM I STILL RECEIVING PAPER DOCUMENTS IF I SIGNED UP FOR SECURE EMAIL?

Statements for bundled payments will be delivered by secure email. All other documents, such as letters or requests for additional information, will continue to be delivered by mail.
